

At the Armed Forces Day

Saturday 24th June 2017. Harpenden Commom. 12.30 to 5.00pm

Leaders are invited to:

Recruit for their Group and District

Enjoy being part of Rescuing the Meerkats

Harpenden and Wheathampstead District are supporting the Armed Forces Day with a team competition called Rescue the Meerkats (because the team of 5 players rescues nine meerkats against the clock) and an impressive Scout recruitment trailer to attract the public. The trailer needs leaders to talk to interested people and the meerkats need leaders to marshal their players.

Please help. The event needs six leaders who will share all tasks. The reward is the fun of the day and the likelihood of recruiting leaders and supporters for your Group.

Explorers and Network Scouts welcome as are leaders from all Sections.

Tell me you are coming: email rvassie@aol.com by 17th June. Thank you.

We set up on the Common near the Public Hall. Look for the Scout flag
