

Dear Parents and Leaders,

Hopefully all of you will be aware of the Scout Shop in Tallents Crescent, Harpenden. You may not know however that it is run by volunteers, mostly leaders / ex leaders and some parents too. Unfortunately the number of people helping every week has been dwindling over the last couple of years and Liz Jack, who looks after the shop, is desperately looking for additional helpers.

Opening times are 9-11am on Saturday, term time only. You need to get there around 8.45am to help set up and you're normally finished by 11.15am by the time everything has been put away. It is all really straight forward and either Liz or Diane are there to show you what to do.

Typically volunteers are asked to help a couple of times per year. It is really not a huge commitment but your support will make a massive difference.

The funds raised by the Harpenden Scout Shop go back to District supporting Scouting activities local Groups would otherwise have to pay for. Also anyone volunteering gets a discount if they buy something from the shop that day.

If you're able to help, please let Liz Jack know (lizjack00@hotmail.com).
