

# NEED A NEW CHALLENGE?

## Scout Leader

We need a volunteer to help run our scout troop. You would be responsible, along with the other leaders, helpers and members for planning and running the weekly activities for 10 - 14 year olds! It is a fun and rewarding role, allowing you to watch the young people enjoy the activities you organise, as well being involved in their development as they grow in confidence and ability.

The Scout Association provides a wide range of books and electronic resources to aid volunteers plan their activities together with an award winning training scheme and on-line programme resources
