

Please send cheques to:

Jo Busby
Scout Expedition Leader
Ceomara
Alturlie Point
Inverness IV2 7HZ

Cheques should be made payable to:

**UK AFRICA-GHANA
EXPEDITION**

For other ways to donate or for more information contact the Expedition Leader at jobusby9@gmail.com.

Excess funds will be directed to benefit Ghanaian children

How we acknowledge your donation

We believe all donors should be recognised. In a prominent place in the finished playground we will erect a post to carry small aluminium plates with the donor company names stamped on them. (Made by the Scouts).

With a little paint rubbed into the letters, they make simple, permanent nameplates that cost little to create. (No logo, just plain letters).

We will add your company name to the donators' post unless you instruct us not to.

**On behalf of the children of the Volta School
for the Deaf in Ghana
and
the 18 Scouts who will go to help them in 2019**

Thank you

Scouts to build playground for Ghanaian deaf and blind children

Children of the Volta School with an Explorer Scout from Hertfordshire (2008)

Ghanaian boy helping our Scout to cut timber (2008)

The more money we raise the more we can do

In Ghana, there is a school dedicated to children who are deaf or deaf and blind. Just about everything they need to survive is provided through donation. They have no recreational facilities whatever, but they do have a modest field.

Scouts want to provide a safe play area for the children on their field so that they can find some joy between their lessons on signing and weaving – the two life skills the school focuses on.

Here is an opportunity to donate to a project that aims to brighten the lives of very disadvantaged children as well as giving British Scouts insights and skills at their formative age. Please consider a donation.

See what our Scouts have done in previous projects:--

Scouts planted 650 mango and acacia trees for shelter and harvestable fruit at Hohoe schools 2005

Scouts in Ghana 2005

Scouts built a community centre and Scout HQ at Hohoe Ghana 2008

Scouts in Ghana 2008

Major supported Scout organised projects in Ghana:

- Installed donated computers to schools and police
- Renewed water tank in a school
- Refurbished rooms in a hospital
- Painted dormitories of a school
- Planted trees for shelter and fruit in schools
- Provided toys to maternity wards
- Donated medical equipment to Adaklu polyclinic, Hohoe, and Ho hospitals
- Donated ambulance to Adaklu Polyclinic

Scouts in Ghana 2016

Scouts raised money to purchase an ambulance for Adaklu Polyclinic – an important asset for the medical team

Please support us in our 2019 project to build a playground for disadvantaged Ghanaian children

Scouts from the Highlands and Islands of Scotland and Scouts from Hertfordshire will travel to Ghana in 2019 to construct playground equipment (swings, climbing frames, etc) for the children.

Your donation will make a difference to many lives while also supporting our international links and the wider education of our young Scouts. Your entire donation will be directed to this end.
